- This index was compiled by Elizabeth Corrigan.

- N° 19 (the Budé issue, November 1968) runs to 184 pages and counts for two numbers : 19 and 20.

- All back issues of *Moreana* have become available again, after a short spell during which we had run short of copies of n° 1 and n° 2.

- Each back volume costs the same price as the current subscription, even for the year 1967 which includes the fat Rogers Festschrift.
